Report content:

ELEKTROTIM S.A., headquartered in Wrocław (hereinafter referred to as the "Company"), hereby announces that on January 2, 2025, it received information from EDF Renewables Polska Sp. z o.o., headquartered in Gorzów Wielkopolski (hereinafter referred to as the "Client"), regarding the selection of the Company as the contractor for works under the investment project titled "Construction of the Large-Scale Energy Storage Facility in Stary Grodków."

The scope of work for ELEKTROTIM S.A. includes designing and the complete execution of the installation of energy storage systems, the construction of the GPO Stary Grodków substation for power output, the construction of a cable line for connection to the 110 kV grid, as well as the energization and commissioning of the investment.

The value of the offer ranges from PLN 23.9 million net to PLN 26.5 million net, i.e., PLN 29.4 million gross to PLN 32.6 million gross (depending on the Client's options).

The next step will be the signing of the contract, about which the Company will inform through a separate report. The Company emphasizes that the selection of the offer is not equivalent to the conclusion of a contract.

The Company discloses the fact of receiving the notification to the public, taking into account the process of building ELEKTROTIM S.A.'s order portfolio for the coming years, risk assessment, and its significance for the Company's future revenues.
